re: **TILLMAN, SMITH, BLIZZARD**
vs Johnson Divserday, Inc. et al
Civil Action at Law, 28 USC 1332(a)(1)

04-40107

Dear Mr. Anastas;

Please find, enclosed under this cover, our civil action at law complaint. Included is the required list of interested parties, as well as the requests for pauperis status. Missing is the pauperis application of Plaintiff **SMITH**, whom, after signing the complaint, but prior to, gaining his prison account statement, was temporarily removed to West Virginia for a court appearance. The appearance in West Virginia revolves upon a pro-se application for return of property, **18 USC 41(e)**, with pauperis being granted in the United States District Court, Martinsburg, West Virginia.

SMITH "should" be returning to FMC Devens soon after June 5, 2004, at which time, he'll promptly provide the court with his pauperis application, **28 USC 1915(a)**, and inmate account statements; however, his pauperis approval could be verified "on-line" as found at pager.

I am thanking you, in advance, for your kind attention to these matters, and I remain,

Sincerely,

Donald F. BLIZZARD, Sr.
